

WESTERN ELMS & CIRCUIT LANE SURGERIES
READING, BERKSHIRE
0118 9530999

Salaried GPs working full time and part time sessions

This is a fantastic opportunity for passionate doctors to join an innovative, friendly training Practice with 30,000 patients across two sites whilst working within a forward thinking PCN of just two Practices.

Taking on board the learning from the past two years we are looking to develop a working from home and surgery model to ensure a healthy work-life balance. We would encourage all applicants looking to work around their family commitments, portfolio careers and those who may aspire to become a partner in the future.

You will work with a fun, highly skilled multidisciplinary team, including specialist Nurses, in-house Pharmacists, Physician Associates, social Prescribers and a Paramedic visiting/triage team. You will also be supported by an enthusiastic management and administrative team.

- High QOF achievement and good CQC rating
- EMIS Web and DocMan 10
- Daily catch ups with colleagues
- Regular team building days and a monthly lunch club
- Opportunities to develop special interests at the surgery
- Generous salary and leave package

Whilst you will be working in a well-established Practice in the middle of a vibrant, multicultural town with excellent schools and amenities, we are only minutes away from the countryside with great transport links via the M4 and many rail connections.

For more information, we would be pleased to arrange an informal visit at our Practices. Please contact or apply with CV and cover letter to:

Lisa Trimble, Practice Manager - lisa.trimble@nhs.net
